Year of study	1
Semester	2
Number of modules	2
Amount of credits	2
Amount of hours, including:	60
Classroom activities	28
Module control	4
Semester control	-
Individual work	28
Form of the semester control	Credit

## 2. The Objective and Tasks of the Academic discipline

**The objective** of the discipline «Copywriting» is to provide theoretical knowledge and practical skills of creation of information materials in the field of advertising and public relations.

**The tasks** of the discipline:

- the development of *integral competency*: ability to perform complex specialized tasks in the field of journalism, which involves the application of the provisions and methods of social-communication and other sciences and is characterized by uncertainty of conditions for ensuring the effectiveness of communication activities;

- the development of *general competencies*:

**GC 1** - ability to apply knowledge in professional activities.

**GC 4** - ability to search, process and analyse information of different sources.

**GC 5** - ability to apply information and communication technologies.

**GC 11** - ability to communicate in Ukrainian.

**GC 12** - ability to use a foreign language.

- the development of *professional competencies*:

**PC 1** - ability to apply knowledge in the field of social communications in their professional activities.

**PC 2** - ability to create information content.

**PC 3** - ability to produce media, advertising and PR products to resolve tasks of external and internal communication.

### **The activities of students at the Centers of competencies:**

center of modern communications.

**According to the requirements of the present to modern education, and taking into account the peculiarities of the profession of specialist in advertising and public relations, the discipline «Copywriting» provides for the division of students into Ukrainian-speaking and English-speaking groups. The working language of studying the discipline «Copywriting» of the Ukrainian-speaking group is Ukrainian. The English-speaking group learns «Copywriting» during practical, module control and individual work in English. Lectures and credit of the English-speaking group are conducted using the Ukrainian language taking into consideration the peculiarities of student distribution when working with these forms of study.**

### **3. The Results of the Discipline Study**

Program Educational Results:

**PER-1** - to demonstrate production actions and operations on the basis of acquired knowledge.

**PER-4** - to search, process and analyse information of different sources.

**PER-5** - to apply modern information and communication technologies and specialized software for resolving professional tasks.

**PER-11** - free communication in Ukrainian in speaking, writing and electronic forms for professional negotiations.

**PER-12** - free communication in a foreign language in speaking, writing and electronic forms for professional negotiations.

**PER-13** - to predict audience reaction on information product or information actions taking into account methods of social and communication sciences.

**PER-14** - to generate information content of certain theme using accessible and obligatory sources of information.

**PER-15** - to create effective media, advertising and PR products taking into account channels and platforms of distribution.

Upon completion of the discipline a student must:

- to know the place of copywriting in the system of advertising and public relations;
- to know the basic principles and technologies of copywriting in advertising and PR;
- to know rules of creative technologies;
- be able to analyze advertising and PR campaigns;
- be able to write advertising and PR texts (television, radio, press, outdoor advertising, internet, etc.);
- be able to promote own style of communication, to conduct public activities;
- be able to produce advertising and PR products, messages according to the concepts of copywriting.

## 6. Control

### 6.1. System of students' educational achievements evaluation

Activity	The maximum number of points per unit	Module 1		Module 2	
		Number of units	The maximum number of points	Number of units	The maximum number of points
Attendance of lectures	1	2	2	2	2
Attendance of practical lessons	1	5	5	5	5
Activity at practical lesson	10	5	50	5	50
Individual work	5	2	10	2	10
Module control	25	1	25	1	25
<i>Total</i>	184		92		92
The maximum number of points	184				
Coefficient calculation	Calculation: $184:100=1,84$ A student has got: 153 points Rating: $153:1,84 = 83$ points				

### 6.2. The tasks for individual work and criteria of the evaluation

**The Ukrainian-speaking group presents individual work of the discipline «Copywriting» in Ukrainian, the English-speaking group – in English.**

Module 1 «*Principles of copywriting*»

The task:

1. To choose an advertising campaign.
2. To investigate the main texts of its activity and present the research.

The task:

1. To choose a PR campaign.
2. To investigate the main texts of its activity and present the research.

*Evaluation*

*criteria:*

- 1) understanding, the degree of mastering of the theory and methodology of the problems under consideration;
- 2) the degree of mastering of the actual material being studied;
- 3) the acquaintance with the basic and additional sources recommended;
- 4) the ability to present the examples of modern advertising and public relations practice, to illustrate theoretical provisions with practical examples;
- 6) logic, structure, style of presentation in the written work, the ability to substantiate their position, to generalize information and draw conclusions.
- 7) completeness of the answer to the questions, quality and independence, creativity, initiative in accomplishing the task.

### **6.3. The Forms of Module Control Implementation, and the Criteria of Evaluation**

**The Ukrainian-speaking group presents module control work of the discipline «Copywriting» in Ukrainian, the English-speaking group – in English.**

The Implementation of Module control works is done individually by each student in electronic form and attached to the e-course or delivered in print. Module control work is carried out after studying a specific content module. It is assessed for completing tasks in the form specified by the lecturer program. Module control *forms* are the implementation of module control works that provide answers to several types of test questions and, in some cases, thorough the disclosure of several questions formulated as open-ended questions from module material. The number of module test works in the course is 4, each work implementation is mandatory.

Or accomplish the task for:

### ***Module control 1***

Offer your own brand. Determine its target audience, competitors, UTP, role on the market, channels. Develop an advertising or PR strategy for your brand.

### ***Module control 2***

According to the earlier developed advertising or PR strategy for your own brand, create advertising or PR materials for distribution on television, radio, print media, the Internet.

### ***Evaluation***

*criteria:*

- 1) understanding, the degree of mastering of the theory and methodology of the problems under consideration;
- 2) the degree of mastering of the actual material being studied;
- 3) the acquaintance with the basic and additional sources recommended;
- 4) the ability to present the examples of modern advertising and public relations practice, to illustrate theoretical provisions with practical examples;
- 6) logic, structure, style of presentation in the written work, the ability to substantiate their position, to generalize information and draw conclusions.
- 7) completeness of the answer to the questions, quality and independence, creativity, initiative in accomplishing the task.

When evaluating module control work, the volume and correctness of the tasks performed are taken into account. The correct performance of all tasks is estimated at a maximum of 25 points.

## **6.4. The Forms of Semester Control and the Criteria of Evaluation**

Semester control is the result of studying each module, which contains a summary of all forms of current control and performance of the module control work. Semester control includes the points for the student's current work at seminars, individual work, Module control work. Semester control of students' knowledge is carried out after the completion of the study of the academic discipline material.

The form of semester control is credit.

### 6.5. Rating Relevance Scale

<i>Rating</i>	<i>Number of points</i>
Excellent	100-90
Very good	82-89
Good	75-81
Satisfactorily	69-74
Sufficiently	60-68
Unsatisfactorily	0-59
